

## TAX RELIEF PROVIDED BY THE CARES ACT

## **Break for Nonprescription Medical Products**

For amounts paid after December 31, 2019, the CARES Act allows amounts paid from Health Savings Accounts and Archer Medical Savings Accounts to be treated as paid for medical care even if they aren't paid under a prescription. And, amounts paid for menstrual care products are treated as amounts paid for medical care. For reimbursements after December 31, 2019, the same rules apply to Flexible Spending Arrangements and Health Reimbursement Arrangements.
